"Yes, Guaranteed Forever" says it all. Quality products, our guarantee, quick delivery, ease of installation, and low failure rate have made us legends in this industry.

This statement is on every product we manufacture. It is a simple, clear guarantee, and everyone associated with our business understands it. If our product ever fails, we will either provide you with a new item or refund the cost.

Available in over 50 Colors

Proudly made in Kansas, USA

What is Onyx?

63% of our products is a hydrate crystal--Al2O3+3H2O. Alumina is also the main ingredient in Corian and all "solid surface" products.The main ingredient in our product is (alumina trihydrate). Our other 37% is a special polyester resin we developed over the last 30 plus years.

Polyester Resin

Standard Showers

The Full Height Curb height is about 4" tall. This curb height works well with both shower doors and curtains.

Mid Height Shower Bases are are 2.75” and have a more modern style.This curb will also work with a curtain.

Low Profile Shower Bases are often used when either: 1) stepping into high tub or over a tall shower curb is too difficult, or, 2) when a more contemporary look is desired.

All curbs have a slope back into the shower area and the shower area has a 1/4” per foot slope towards the drain.

Wall Panels

Onyx wall panels are available in any height, color, and design. Panels are available in Gloss, Stone Tile, Subway Tile, Wavy Tile, and Shiplap finish. An Onyx panel is approximately 3/8" thick and is a solid color throughout. Panels weigh about 3.5 lbs per square foot.

The side panels have two finished edges, (top & front,) and the back panel will have a finished top edge. Any cutting, notching, drilling, or sanding can be done using regular wood cutting tools.

Panels are attached to the wall using our adhesive silicone. Color match silicone is used to seal the seams where two onyx pieces come together. Panels can be ordered oversized and can be trimmed to fit using regular wood cutting tools.

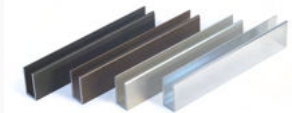
Semi-Frameless Hinged



Colors

Samples of our current colors can be seen wherever our product is sold. We furnish a gloss sample chain to our dealers.

To keep your chains intact, instead of lending out the color chips to your customers, you can request a few sample chips for them and we will send them directly to their homes.

Color Sample Request

Homeowners can request Individual color samples online or by phone. Color samples are mailed that day and usually take 2-3 days for delivery.

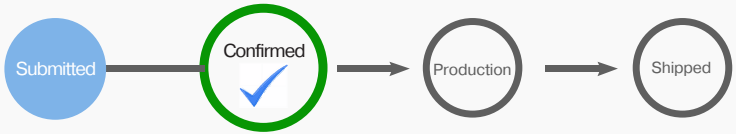
THE ONYX COLLECTION ONLINE



Online Ordering

The Onyx Online Ordering is for all of our dealers to order 24 hours a day at your convenience.

All of our standard showers, accessories and vanity tops, and many of our customs are available to get a quote and order through our online system.

When an order is placed you will receive and email with a order description, preview and estimated ship date. Job status is also available through your online portal.

Onyx News

Keep up with all the latest Onyx trends.

Every quarter we post to the Onyx News what the latest trends for colors, shower base, and vanity top options are.
